Feeder Fund (A)

Sasfin BCI Global Equity

Investment Objective

The Sasfin BCI Global Equity Feeder Fund aims to achieve an attractive risk adjusted total return over a long-term investment horizon in USD terms.

Investment Approach

The portfolio will apart from assets in liquid form, invest solely in the participatory interests of the Sasfin Global Equity Fund, established under Sasfin Wealth SICAV, domiciled in Luxembourg. The underlying portfolio invests primarily in global equity securities, property related securities, non-equity securities, money market and other interestbearing instruments, assets in liquid form, financial instruments as well as participatory interests of underlying portfolios of collective investment schemes or other similar schemes with similar objectives. At least 66.7% of the underlying portfolio's assets will be invested in equity securities.

Information & Disclosures

Risks: Certain investments - including those involving futures, options, equity swaps, and other derivatives may give rise to substantial risk and might not be suitable for all investors. Where foreign securities are included in the portfolio there may be additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on

the availability of market information. * Total Expense Ratio (TER): Please note: A higher TER ratio does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER cannot be regarded as an indication of future TERs. Transaction Costs are a necessary cost in administering the Fund and impacts Fund returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of Fund, the investment decisions of the investment manager and the TER. The prior year ("PY") TER and Transaction cost calculations are based upon the portfolio's direct costs for the

financial year ended 31 December 2023, whilst the underlying portfolios' ratio and cost calculations are based upon their most recent published figures, being 31 December 2023. Effective Annual Cost: Boutique Collective Investments adopted the ASISA Standard on Effective Annual Cost ("EAC"). The EAC measure allows you to compare charges on your investments as well as their impact on your investment returns prior to investing. For further information regarding the ASISA Standard on Effective Annual Cost and access to the EAC calculator please visit our website at www.bcis.co.za. BCI calculates the EAC as per the ASISA standard for a period of 3 years up till the most recent TER reporting period. #Monthly Fixed Admin Fee: R15 excl. VAT which will apply to all direct investor accounts with balances of less than R100 000 at month end, unless an investor transacts online, in which case no such fee will be levied. Date Issued As at 15 April 2024.
